FEATURES

- Made of high quality polypropylene copolymer: light, shock-proof, heavy duty and low-temperature resistant
- It is handy, strong, extremely modular and easy to clean
- Elegant, nice and good looking trolley
- Thanks to its several components this trolley can be fully accessorized and, consequently, it is ideal for any situation: not only for the change from dirty to clean linen, but also for the cleaning of the room and bathroom, for waste collection and mini-bar refilling.
- Side walls can be customized with images, special designs, pictures or brands, on request. The trolley becomes an advertising vehicle or an integrated part of the environment where it is used
- The base is equipped with an additional fifth wheel in the middle to be much stronger in case of a heavy loaded trolley
- The pull-out shelf can support up to 30 kg, if equally distributed on its entire surface
- The foldable bag holder allows to reduce considerably the overall dimensions of the trolley after use. It is equipped with ergonomic push-bar and rubber bumpers
- Handy and ergonomic push-grip with a hollow space and rubber lace where cleaning tools can be hold at the end of the working operations
- Handy sliding trays with lock and removable locking key, ideal to store working and personal tools, such as mobile phone, tablet, documents, etc... and keep them safe.
- Strong shelves with smooth surface for an easy cleaning and with slide out limiter for the highest security
- It is available also with doors for the highest hygiene and security
- Possibility to add extra shelves and/or drawers 10 L, 22 L, 40 L, with or without lock
